

The Second Symposium on Frontiers in Computer and Data Sciences

February 26-27

Speakers:

Dr. Salman Beigi
Institute for Research in
Fundamental Sciences (IPM)

Seyed Amir Hossein Saberi
Sharif University of Technology

Dr. Babak Khalaj
Sharif University of Technology

Dr. Masoud Seddighin
Khatam University, TEIAS

Dr. Jean-Charles Lamirel
Strasbourg University,
Synalp-Loria-Nancy

Dr. Reza Shokri
National University of Singapore (NUS)

Dr. Amir Najafi
Sharif University of Technology

Dr. Jan Vondrak
Stanford University

Overview:

In this event, researchers across different areas of computer and data sciences will gather together to present their recent research findings. The event consists of invited talks, as well as poster presentations by students.

Registration Deadline: February 21

Venue: Khatam University Amphitheater

Target Audience: Faculties and students of computer and data science.
